Community Meeting and Open House about Cleanup of Residential Yards in Dewey-Humboldt

EPA invites the public to a community meeting for the Iron King Mine/Humboldt Smelter Superfund site from 6:30 PM to 8:30 PM on Wednesday, April 5th in the Humboldt Elementary School gymnasium.

During the meeting, EPA representatives will discuss the upcoming cleanup of contaminated soils in a number of residential yards in Dewey-Humboldt. At 7:00 PM, EPA will give a short presentation, which will include discussion about where and how EPA will conduct the cleanup. The remainder of the meeting will be an open house, with EPA representatives available to address any questions or concerns.
