

PUBLIC NOTICE
THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
COMMUNITY MEETING FOR IRON KING MINE AND
HUMBOLDT SMELTER SUPERFUND SITE
Saturday, December 7th, 2013

The U.S. Environmental Protection Agency (EPA) invites the public to an open house on Saturday, December 7th at the Humboldt Elementary School Gymnasium from 12:30 p.m. - 5:10 p.m. The Open House will include presentations at preset times, as well as discussion tables for informal discussion throughout the afternoon. The agenda includes:

- 1:00 - Upcoming EPA Field Work to Complete the Cleanup Investigation (EPA)
- 2:00 - Residential Yards Area Impacted by the Site Background and Levels of Concern for Soils (EPA)

EPA has invited other agencies to join in presentations that will focus on understanding and reducing your exposure to arsenic and lead in the Dewey-Humboldt area.

- 3:30 - Drinking Water from Public and Private Well Systems
- 4:30 - Gardening Soils, Dust, and Recent Blood and Urine Testing

Agencies that will be present include the Arizona Department of Environmental Quality, the Agency for Toxic Substances and Disease Registry, the Arizona Department of Health Services, and the University of Arizona Superfund Research Program. For more information, please visit the Site website at www.epa.gov/epa/humboldt or contact Amanda Pease, Community Involvement Coordinator, at pease.amanda@epa.gov, 415-972-3068 or toll free at 800-231-3075.
