Manager's Lowdown

Hi All -

Here are some of the items we've been working on:

- The Aspen Discovery catalog was released for public use as scheduled on October 12th. Overall, there has been positive feedback from those that are using it. The catalog is continually being updated with suggested improvements or issues patrons are encountering. We will turn off the Enterprise catalog in January. Lists will be transferred for patrons in early December. We will notify you of the exact date when we have it.
- K12 Notices were turned on last month. The entire consortium is now using the Message Bee notices for their notifications.
- Clarkdale-Jerome Elementary School was added successfully to the YLN. It was a concentrated 3-week effort by many of the YLN and YCFLD staff. We finished on schedule, and it was an example of teamwork at its finest.
- Seligman Unified School District continues to send us their books to be cataloged. Ash Fork Joint Unified School district signed their YLN agreement in October, and we will begin the process of cataloging their materials before the end of the year.
- Village of Oak Creek location has moved. Their previous location is now closed. The new location is opening on November 4th. The address is: Big Park Community School Library, 25 W. Saddlehorn Rd., Village of Oak Creek.
- We are upgrading some components of our network which may require some down-time. We will choose a day and time where it will have the least impact and let you know ahead of time when that will be.

Until next month,

Valerie Burns

Member News

CVCL Teen Librarian, Zack Garcia, is excited to announce the Verde Valley GameCon II, Saturday, November 13 from 9:00am-4:00pm.

GameCon II will transform the Camp Verde Community Library into a convention hall-style venue hosting games of all sorts for all ages. Presented by Camp Verde Community Library Team, GameCon II aims to have something for everyone. Want to try a new board game? Head upstairs to the Game Library to check out a board game to play with friends (no library card required). Want to take on your friends in a Mario Kart or Super Smash Bros. tournament? We have you covered in the Video Game Room. How about classic games like chess, checkers, backgammon, pinochle, and euchre? Yep, we'll have those, too. Do you have a competitive or casual Magic: The Gathering deck, or just want to learn how to play? We have a spot for you to play.

GameCon II will also feature outdoors games, including disc golf, putting games, cornhole and more at Rezzonico Park adjacent to the library. Can you win a prize? Probably not. Will your name go up in lights if you are the champion of your chosen game? Not a chance. GameCon II is about getting together with friends, maybe making new friends, and having a good time right here in Camp Verde.

CVCL Camp Verde Community Library Presents
VERDE VALLEY
GAME CON II

Prioritization

Priority One: Resolve Current Help Desk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 170

Total requests resolved: 144

Total unresolved requests opened this month: 25

Total requests still open: 52

Priority Two: New OPAC - Aspen Discovery

After realizing shortcomings with our current OPAC, Enterprise, we have decided to switch to Aspen Discovery by ByWater Solutions.

Goal: Switch to Aspen Discovery

Project Lead: Valerie Burns

- Hire consultant to lead us through RFP process
- Put together RFP committee
- Define requirements for OPAC
- Publish RFP document
- Open vendor proposals
- Evaluate OPACs
- Implement Aspen Discovery
- Test and tweak Aspen Discovery
- Roll out Aspen Discovery

Priority Three: Bring on Park View/Canyon View

Park View/Canyon View is a charter school (6 - 12) in Prescott Valley that wants to join the Network.

Goal: Integrate PVCV into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Install WF at library
- Conduct training
- Go live

Priority Four: Bring on Verde Valley Archaeology Center

The Verde Valley Archaeology Center is a special library that wants to join the Network.

Goal: Integrate VVAC into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Install WF at library
- Conduct training
- Go live

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

Prioritization

Priority Five: Create New YLN Website

The YLN website is about eight years old and in need of a refresh. In addition, library staff have difficulties finding some material on the current site. Also, Drupal 7 & 8 are approaching end of life so it's time to move to Drupal 9.

Goal: Overhaul YLN website visually and architecturally
Project Lead: Valerie Burns

- Copy out archival material
- Set up test site
- Do card sorting exercise
- Upgrade to Drupal 9
- Design new YLN logo
- Create design for website
- Implement website design
- Distribute website in progress to pubserv for feedback
- Complete implementation
- Roll out to production

Priority Six: Roll out Niche Academy

Niche Academy is a software product that allows anyone in the Network to create tutorial or videos for the public or for staff. You can share those videos on your website via a Niche widget.

Goal: Make Niche Academy available to the Network
Project Lead: Valerie Burns

- Set up Niche Academy
- Test the functionality on the YCFLD website
- Go live
- Promote to the Network
- Implement at interested libraries

Priority Seven: Move to Message Bee

The Network has been having ongoing problems with patrons not receiving email notices because their email provider quietly rejects them. SirsiDynix has not been willing to tackle this problem. As a solution, the Network is moving to Unique MessageBee. Not only will notices be delivered reliably to patrons, they also can track whether the patron opened the email and if they clicked on links inside.

Goal: Move to a reliable email notice system
Project Lead: Chanel Wheeler

- Get quote from Unique
- Pick pilot library
- Sign agreement with Unique
- Set up pilot library with overdue, hold, and bill notices
- Roll out overdue, hold, and bill notices to all YLN libraries
- Set up pilot library with autorenewal notice
- Roll out autorenewal notice to all YLN libraries
- Roll out notices for K-12s

Priority Eight: Move Servers from Ubuntu to RHEL

Our Ubuntu servers are not playing well with the Hyper-V host. Red Hat is better supported on Hyper-V. The District and ITS already bought two RHEL licenses. The Network will be buying the rest.

Goal: Move servers to RHEL so they will be more stable.
Project Lead: Chanel Wheeler

- Purchase RHEL licenses
- Move portal server to RHEL
- Move ylntest server to RHEL
- Move district server to RHEL
- Move districttest server to RHEL
- Move help desk server to RHEL
- Move helptest server to RHEL
- Move optio server to RHEL
- Move authentication server to RHEL

Prioritization

Priority Nine: Improve Database Quality

Enhance the operation of the catalog for patrons and staff by improving material description, subject and genre access, and data integrity. These tasks are for materials already in Symphony.

Goal: Improve patron and staff search experience

Project Lead: Karen Straube

- Correct structurally invalid bibliographic records in Symphony
- Complete cataloging and descriptions of Adult Books
- Add Subject Headings and Genre Headings to bibliographic records that lack them
- Complete cataloging and description of YA Books
- Complete cataloging and descriptions of Adult non-book materials
- Complete cataloging and description of Youth non-book materials
- Clean-up genre headings to conform to current standards

Completed Projects CY21

- Subscribe to the New York Times
- Bring on Skull Valley Elementary
- Upgrade EZProxy
- Bring on Lake Valley Elementary School
- Bring on Humboldt Elementary School
- Bring on Mountain View Elementary School

Cancelled/Postponed Projects CY21

- Implement Blue Cloud Cataloging
- Get Up to Speed with VMWare (this has been taken over by ITS)
