June 2024

## Koha Migration

Our Koha migration was completed in June, following an almost two-year process. The Request for Proposal (RFP) process spanned approximately 1.5 years, while the actual migration took a relatively short six months. Many individuals contributed to this significant undertaking, including members of the Search Committee and Implementation Team, as well as those involved in data testing, hardware configuration, marketing, and training support. Donna Bachowski, ByWater's Director of Implementations, was onsite for Go Live Day on the 17th. She attributed the smooth implementation to the thorough preparation from our YLN members. Special thanks go out to everyone involved, especially Chanel Wheeler and Sherryl Masterman!

However, our work is ongoing! Koha is highly customizable, and we are currently fine-tuning the system to align with our workflows. As we adapt to new processes—especially those that previously required work-arounds in Symphony—this refinement will continue.

## Pronghorn Ridge Middle School

A lot of progress has been made in readying this new library for Pronghorn Ridge Middle School's students. Last month we showed a 'before' photo. Here are a couple of 'after' photos. Thank you to all who helped create such a welcoming environment for the students!

Thank you!

## Help Desk

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to [help@yln.info](mailto:help@yln.info). If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

**Total requests submitted: 194**

**Total requests resolved: 161**

**Total unresolved requests opened this month: 33**

**Total requests still open: 48**
