

Yavapai Library Network Monthly Report

December 2024

ADMINISTRATOR'S NOTE

Happy New Year!

December was a busy month around the YLN and January looks to be even busier. The list of upcoming events on the next page is just a fraction of everything happening in our libraries this month! Thank you for sending in your news - it's fun and interesting to see some of the creative program ideas for the patrons in Yavapai County.

The RFID RFP team has nearly concluded reviewing specifications for the upcoming RFP and Sunny Path Associates is at work converting them into the actual RFP. We are on schedule to post the RFP in the next week or two.

The Steering Committee meets this Thursday, January 9th, at The Orme School. Among other topics, the group will be discussing the strategic plan that the Executive Committee has formulated based upon the feedback at the October workshop.

If your patrons check out book club kits, they will notice a change in the procedure in Aspen. KitKeeper, which Prescott Public Library, Prescott Valley Library, and the Yavapai County Free Library District used for book club kit reservations, ceased operations at the end of December. The process for reserving a kit might be different depending on the kit's home library, but everyone involved has been working to make it as straightforward for our patrons as possible.

December's Events

Chino Valley Public Library

We love having the Singing Santa and Mrs. Claus (musicstoriespirit@gmail.com) come to the Chino Valley Public Library every year. This is "Prescott's Official Santa" from the parades, lighting, Acker, Christkindl Market, etc. They are a wonderful couple and do a great job singing, playing guitar, answering questions from the children about the North Pole, posing for family photos with their beautiful backdrop, and reading a story or two.-Rebecca Laurence

Yarnell Public Library

The 3rd Angels for Elder Tree program in partnership with Yarnell Regional Community Center was very successful this year. The community bought 39 gifts for the Meals-on-Wheels clients. This is a wonderful program that gets the community involved for the homebound. We appreciate all the love and caring that is shown for this program and throughout the year.-Priscilla Phelps

Help Desk

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 88

Total requests resolved: 80

Total unresolved requests opened this month: 6

Total requests still open: 26
