Monthly Report

March 2026

### Happy Spring!

March was a highly productive month for the YLN team. We've made great strides in staffing, software implementation, and project management. As we transition into spring, we are excited about the new tools and infrastructure upgrades on the horizon. Below are our key updates for the month.

### Recent Highlights

- **Staffing Updates:** We had a busy and successful month of interviewing, and I am very pleased to welcome several new members to our team. Marsha Collier joined us on March 25 as our new Library Transit Clerk. She will be managing the HUSD route and sorting, but you may see her around the county. On April 6, Jonah Garcia officially began as our Computer Network and Systems Specialist. We have been looking forward to this addition, as it will allow Shane to focus entirely on his role as Systems Librarian without having to cover both positions. Additionally, Kea Byerly has stepped in as our new Administrative Assistant and will serve as the primary contact for YCFLD/YLN billing. Thank you all for your patience and support as we navigated these staff transitions.
- **Automated Circulation Solutions RFP:** The RFP results and award recommendation have been presented to the Steering Committee on March 26 and are scheduled to go before the Board of Supervisors on April 15. If approved, we anticipate sharing more details in the coming months. I want to extend a sincere thank-you to our 11 reviewers, 3 technical advisers, and 5 demo-only advisers. Your time, expertise, and dedication were essential in bringing us to this milestone.
- **Kit Management Software:** Recognizing that the current Booking module in Koha has presented numerous workflow challenges, the PPL Adult Services team took the initiative to schedule demos and gather quotes for new Kit Management software for the Public Services User Group, with a final decision expected soon. PPL has also generously offered to cover the first year's cost of the software for the main libraries that utilize book club kits. While none of the third-party options are not fully integrated into Koha, our plan is to utilize the selected software for a year and conduct a comprehensive review before deciding on renewal. By that time, we hope ByWater Solutions will have enhanced the public-facing Booking feature in Aspen and improved the Booking module in Koha. Having two products to compare will put us in a strong position to determine the best path forward.
- **OCLC Direct Import Issue:** The technical issues affecting the OCLC direct import last month have been fully resolved, and the tool is functioning normally again for the libraries using this service. The cause and resolution has been communicated to the library that initially reported the problem.
- **SkyRiver Implementation:** The SkyRiver software is now fully implemented across all libraries, with the exception of YCFLD which is currently navigating some connectivity challenges due to their new firewalls. In the meantime, the team is successfully using a reliable workaround to edit records directly within the Koha ILS.

### Looking Ahead

As we move into April and May, our focus will shift toward several important infrastructure and systems upgrades:

- **Server Replacements:** We are beginning the purchasing, planning, and execution phases to replace our two YLN servers. Due to the recent surge in AI technology, hardware costs have tripled over the past 12 months, prompting us to accelerate our replacement timeline rather than waiting until fiscal year 2027 as originally planned. We extend our sincere thanks to the Steering Committee for approving this one-time expenditure, and to YCFLD for their generous financial contribution.
- **CMS Upgrade and Open-Source Analytics:** Our Systems Librarian, Shane, is working diligently to upgrade the database structure and CMS to create a more interactive, user-friendly portal for the network. We are also preparing to implement new open-source tools to improve how we record and track ILS and programming statistics.

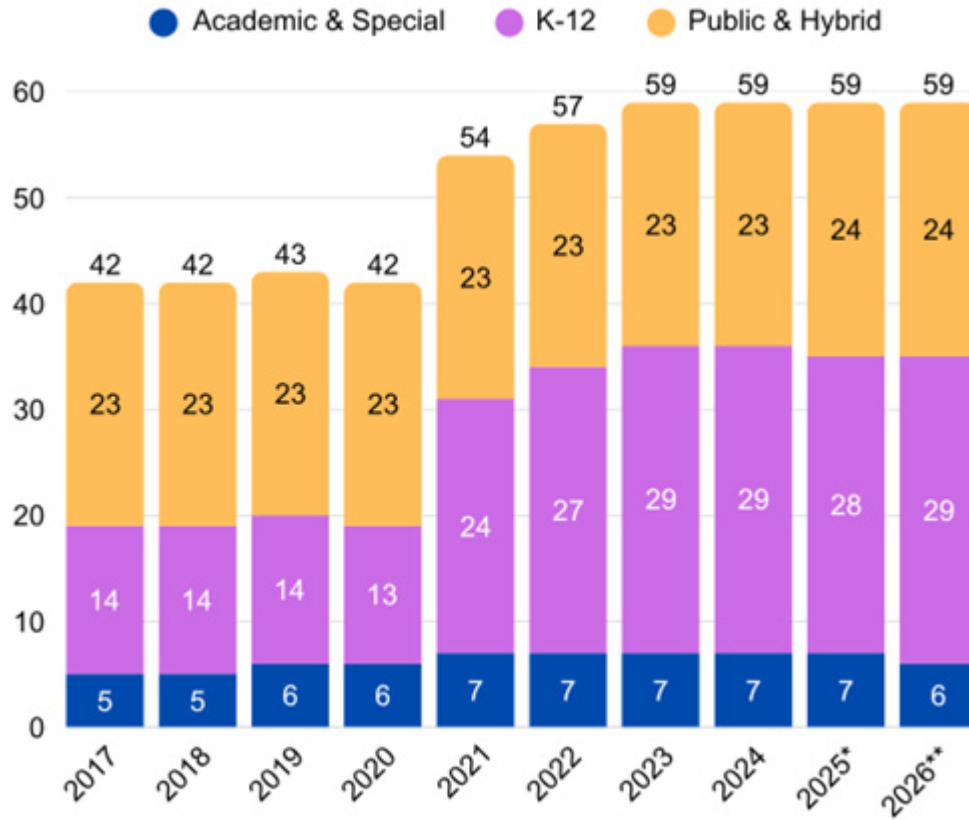

Thank you for your continued dedication and for everything you do to support our libraries. Please feel free to reach out to me or the team with any questions.

Sincerely,

Minh Nguyen

# YLN NEWS & EVENTS

---

## **BLACK CANYON CITY COMMUNITY LIBRARY**

**Saturday, April 18, All Day:** Snap! Pop! Get silly and have fun with your family and friends at our ultimate photo op! We're providing comic hero photo frames and props so you can strike that perfect, snappy pose. Enjoy yummy snacks, do some superhero coloring pages, and make memories that will make you smile.

## **CLARK MEMORIAL LIBRARY**

**Tuesday, April 21 at 1:00 PM:** Reading Leaves Join us for an engaging and informational talk with Master Gardener Karen. Discover the secrets hidden within your garden as we learn how to "read" leaves to identify plant health, common issues, and tips for helping your greenery thrive in our local environment.

## **DEWEY-HUMBOLDT TOWN LIBRARY**

**Thursday, April 23 at 5:00 PM:** Seed Starting Workshop Get a jump on your garden this season! Join us for a hands-on workshop where we provide the seeds, soil, and containers. This all-ages program will teach you the essentials of starting seeds indoors, and you'll even get to take home what you plant to watch it grow.

## **BLACK CANYON CITY COMMUNITY LIBRARY**

**Friday, April 24 at 2:30 PM:** Resin Art Explore your creative side and learn the craft of resin art with Shelly Aldridge! This hands-on workshop provides all the art supplies and snacks needed to create your own unique masterpiece. This program is proudly brought to you by the Yavapai County Free Library District.

## **PAULDEN PUBLIC LIBRARY**

**Wednesday, April 8, 2026 at 1:00 PM:** Growing Berries! Join the Master Gardeners to learn about growing backyard cane fruit and other berries at your elevation. Topics include: site selection, soil, planting, fertilizing, pests, and harvesting.

## **BAGDAD PUBLIC LIBRARY**

**Wednesday, April 22, 2026:** Earth Day - Pinecone Bird Feeder: Celebrate Earth Day 2026 with us by creating simple, nature-friendly pinecone feeders using pinecones, birdseed and peanut butter. It's an easy, hands on way to help local birds while enjoying a fun, earthy craft! All materials will be provided while supplies last. Stop by, get creative and give our feathered friends a little extra love this spring! Crafts can also be picked up to take home to craft, if you prefer!

## **YARNELL PUBLIC LIBRARY**

**Wednesday, April 29, 2026 at 1:00 PM:** Digital Footprint - Learn how to protect your online presence, by managing your privacy settings, you can browse smarter, safer, and with confidence.

## Help Desk

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to [help@yln.info](mailto:help@yln.info). If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

**Total requests submitted: 71**

**Total requests resolved: 67**

**Total unresolved requests opened this month: 4**

**Total requests still open: 13**
