Monthly Report

April 2026

### Greetings!

With May well underway, the YLN team has continued to make meaningful strides in strengthening our systems and supporting our libraries. April brought important transitions, new tools, and forward movement on several long term projects. Here's an overview of what we've been working on.

### Recent Highlights

- **Kit Management Software** — After reviewing vendor demos, the PPL Adult Services team and Public Services users selected myTurn as our new kit management platform. PPL will cover the first year of software costs and include all YLN pickup locations. Next steps include integrating a link to myTurn into book club kit records or item display pages. The cataloging team will also begin entering metadata for the kits. This upgrade will empower patrons to manage their own kit reservations and streamline staff workflows.
- **SkyRiver Implementation** — SkyRiver is now fully implemented across all libraries, including YCFLD, following the resolution of firewall issues.
- **Ebook Central App** — The network has upgraded to the new Ebook Central App, which permanently replaces Adobe Digital Editions for ebook downloads. Please let us know if patrons encounter any issues.
- **K-12 Summer Hiatus** — K-12 libraries have entered their summer break. Holds on school items are paused until August 15, and following the last deliveries the week of May 18, transits to and from schools will be suspended for the summer months.

### Looking Ahead

As we move into May and June, our focus will shift toward several major infrastructure and systems upgrades:

- **Koha Upgrade** — We are now running Koha version 25.11.02. New cataloging and circulation features can be found here: [link placeholder].
- **CMS Upgrade** — Our System Librarian is revamping both the public facing YLN portal and the staff intranet. A short survey was recently sent out to gather your input. Your feedback is essential as we work toward creating a more interactive portal where YLN staff can submit content, participate in discussions, and easily access a more visible and intuitive knowledge base.

## YLN NEWS & EVENTS

---

- **Summer Reading 2026** — We hope the upcoming CMS upgrade will allow us to post engaging Summer Reading content more efficiently.
- **Server Replacements** — Following Board of Supervisors' approval for new capital expenditures, we have placed an order for two new YLN servers. However, deliveries aren't expected until the new fiscal year.
- **AMH/RFID Migration** — The Board of Supervisors approved Bibliotheca LLC as the winning vendor on April 15. As the lead agency, YCFLD is finalizing the master agreement. This marks a historic transition for the network, as we have used Tech Logic since 2009. Because libraries may be on different timelines for replacing RFID pads, gates, AMHs, and other equipment, we anticipate a phased rollout. Bibliotheca has confirmed that our Crystal Wave/Excellence gates, wands, and some RFID pads are compatible with their software with configuration. Please keep in mind that this is a new provider, so new workflows and changes should be expected during the migration.

Thank you for your continued dedication and for everything you do to support our libraries. Please feel free to reach out to me or the team with any questions.

Sincerely,

Minh Nguyen

## Did You Know?

Your patrons can pay their fees online by logging into their library account through the YCFLD catalog profile: <https://ycfld.catalog.yln.info/>  
A convenience fee will apply, as shown below.

### Fines

You have three ways to pay online or pay at your local library.

<b>Electronic Check</b>	A flat private fee of \$2 will be added to your transaction.
<b>Debit Card</b>	A private fee of 2.35% will be added to your transaction. (There is a minimum fee of \$2 for debit cards.)
<b>Credit Card</b>	A private fee of 2.35% will be added to your transaction. (There is a minimum fee of \$2 for credit cards.)

Each month, YCFLD will reconcile the bank accounts and forward payments to the owning libraries along with the corresponding documentation. If you have any questions about this process, please email [help@yln.info](mailto:help@yln.info).

## Help Desk

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to [help@yln.info](mailto:help@yln.info). If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

**Total requests submitted: 77**

**Total requests resolved: 70**

**Total unresolved requests opened this month: 5**

**Total requests still open: 1**
